✓ **Olive-inspired style**

Are you dreaming of a bright, memorable celebration in combination with a tradition and a thousand-year history of Greece? Then organize your wedding in an olive style. This option is ideal for lovers of tranquility and privacy, as olive shade of green symbolizes peace and an olive branch symbolizes the unity and success. The wedding ceremony decorated in olive, brown and pistachio shades promises harmony, stability and prosperity to a future family because it will be conducted in an atmosphere of freedom and pride. In ancient Greece the winners were given an olive wreath. The same olive wreath decorated the heads of Zeus and Hera. That's why an olive style wedding is a ceremony of a sacred marriage on Earth, in the place which can boast beauty and picturesque landscapes. You can organize an olive style wedding in any resort in Greece.
