✓ **Pirates-inspired style**

If your beloved man loves the sea, entertainment and rum, give him a unique opportunity to organize a wedding in a pirate style. It differs from an ordinary wedding ceremony not only by its special pirate mood, but by the wedding accessories like sea shells, gulls, ropes, ships, pirate networks, parrots, muskets. The chief pirates of course will be the couple – a groom in a snow-white shirt and high boots and a bride in a dress with ruffles and a slightly tousled hair. Daring, bold and a little arrogant they will board the enemy ships and prove their power and look for the hidden treasure that will promise them a long and comfortable life. It is possible to organize a pirate theme wedding in blue and beige shades in one of the picturesque bays with sandy beaches and hidden caves.

Notes:

This package is available on Rhodes and Kos. The decoration elements consist of the basic elements for the ceremony. To make your wedding more individual and special we offer to use the extra services.
