

# A civil wedding on the island of Cameo

This wedding package has been worked out in order to show you that there is a heaven on earth. And it is not far off; it is right on the island of Cameo in Greece. A piece of land that once split off from Zakynthos. Though it is a small island, Cameo attracts a lot of attention from the newlyweds.

The islet constantly hosts beautiful wedding ceremonies. There is a fantastic place for them hidden in a cozy cove with pristine beach and natural setting. Among many other styles of the civil weddings held on Cameo island the most popular is an eco-friendly style. It can be explained by the fact that civilization has not yet touched it and that it can be approached only crossing the old wooden bridge.
