✔ Classic style

Wedding in Greece in a classic style is an ideal variant for those who consider themselves conservatives and choose traditional wedding colours as a wedding decoration. If you love, love with all your heart. If you tie a knot, do it in the place where love itself was born. If you choose a wedding dress, choose it in soft white shades and a black suite for a groom, as it is classic. It has been believed since the ancient times that classic weddings predict a happy life for the couple. Though fashion changes, the classic image of the couple and the magic atmosphere combined with muslin, ribbons, crystal candlesticks attract admiring eyes of the guests. The ceremony will be decorated in classic colours and everything that is necessary to conduct a ceremony in a classic style will be taken care of.

Notes:

This package is available at all the resorts in Greece. The decoration elements consist of the basic elements for the ceremony. To make your wedding more individual and special we offer to use the extra services or take other style packages.
