Apple-inspired style

A seduction of a man by a woman began with an apple... It has also become the subject of contention during the first world beauty contest. Apple is considered to be a symbol of life, fidelity and purity in many cultures. Therefore, in order to feel its sacred power the couple bites the fruit during the ceremony or put it on a wedding bed secretly wishing their dreams come true. We offer a win-win wedding celebration in an

apple style. Just imagine the bright sun, warm sea breeze and the aroma of fresh fruit in the air. The wedding decorations, colors will remind you of the freshness and the flavor of the sweet & sour apple.
