

# Cretan Village Hotel Apartment ★★★

Cretan Village Apartments is a traditional, cozy four-star hotel built in the style of a Cretan village, located in the village of Amoudara, 5 km from the picturesque town of Agios Nikolaos. The hotel consists of several separate two-storey buildings located on the hillside, amidst lush vegetation and connected by stone walkways leading down to the sea. Exactly 30-50 meters from the hotel, guests can find three beautiful beaches: the beach across the road with large pebbles, and 300-500 meters with small pebbles and sand (great for families with children). The hotel offers a stunning view of the Mediterranean, the bay and the city of Agios Nikolaos. The design of the apartments is individually decorated in a romantic style, combining modern and traditional elements. All apartments have a balcony or a lovely terrace overlooking the sea or the garden. Some of the apartments have a fireplace and a second bathroom. The hotel offers the following services - swimming pool, pool bar, lobby, traditional outdoor seating area, reading room with TV, internet corner, free Wi-Fi at the hotel's reception and in the pool area and restaurants, as well as in the rooms. The hotel's restaurant, with views of the sea and the bay, offers Cretan traditional and European cuisine. Cretan Village Apartments is recommended for a relaxing romantic getaway for couples, families and independent travelers.
