The modern five-star hotel Hersonissos Palace is located 25 km east of Iraklion, in the most attractive tourist town of Hersonissos, with its active nightlife, and 60 meters from the central urban sandy-pebble beach. The hotel is decorated in a postmodern style with elements of Greek neoclassical buildings. It consists of a main building and an additional building located 50 meters away. The rooms of the Hersonissos Palace are decorated in a contemporary style, with neat furniture and offer all the modern amenities for a pleasant and relaxing stay. The furnished balconies overlook the garden, the pool, or a side view of the sea. In the newly renovated main restaurant, as part of the all-inclusive program, guests can enjoy a large selection of appetizers, salads, a variety of Greek and international dishes, fresh fruit and delicious desserts made from local produce. Special theme nights are held regularly. There are two outdoor freshwater pools and one indoor pool, a tennis court, a sauna and a gym on site. Guests can also use the services of the Spa, located in the neighboring partner hotel - Hersonissos Maris (paid procedures), to which the hotel offers a free shuttle service. For guests who combine leisure with a business trip, there is a meeting room that can accommodate up to 80-100 people for business meetings and various corporate events.
