

Thermae Sylla Spa Wellness Hotel ★★★★★

Welcome to Thermae Sylla, one of the top 10 spas in the world, as voted by the prestigious Conde Nast Traveller magazine. The spa's magic water springs naturally from the underground (no need for drilling) at an already hot temperature of 80-85 degrees Celsius, carrying with it traces of radon – a powerful therapeutic mineral with healing properties.

Thermae Sylla embodies real wellness and medical spa treatments in an environment of understated luxury and healthy Mediterranean gourmet. It offers an ideal cure and escape from the demands of modern life to help you rejuvenate, heal, rediscover your inner self and unveil the new you.
