

Honeymoon Petra Villas - NR ★★★★★

The luxury five-star boutique hotel for adults only (from 14 years old and above) Honeymoon Petra Villas is located above the caldera in the center of Imerovigli, not far from the main road connecting Fira and Oia. The village's best restaurants, shops and attractions are just meters away. The hotel is surrounded by the most spectacular background - 270 degrees of unobstructed views of the caldera, the volcano and the neighboring islands of Santorini and, of course, the most famous sunset in the world. The hotel is divided into two different wings. The wing of "Petra" (stone) is located near the main hotel facilities. The entire wing is carved into the rock of the island and outside is covered with black volcanic rock. The "Traditional" wing was used to advertise Greece in most postcards, photographs, and documentaries. It is located above the wing of Petra and is about 70 meters walk from the pool, breakfast area and most of the hotel's facilities. The hotel is completely renovated over the past two years. The stylish and comfortable rooms, decorated in a unique style and color scheme, have the best mattresses, soft pillows, luxurious bathrooms and furnished terraces or balconies with stunning views of the volcano and the caldera. Some suites have a jacuzzi, a small pool or a panoramic heated pool. The hotel has a large, endless heated swimming pool, private nooks and a jacuzzi, which is surrounded by a terrace with comfortable lounge chairs and a poolside bar; massage cave and steam room, as well as a gym with modern equipment, located across the street (visit by appointment). Guests of the Honeymoon Petra Villas are usually couples celebrating a special occasion, honeymoons, anniversaries or weddings.

The Hotel has lots of stairs and no elevator. Not suitable for disabled guests.
