

Castello Village Resort ★★★★★

The cozy, family-run four-star hotel Castello Village Resort is located in the picturesque seaside village of Sissi, 40 km from the lively capital Heraklion. The hotel is built in traditional Cretan rustic style, consists of a main building and a bungalow complex, surrounded by rich gardens, panoramic sea views and an impressive mountain landscape. Not far away is the lively shopping street Sissi with its many bars, cafes, taverns, restaurants, souvenir shops and boutiques. A picturesque winding road with olive trees on both sides leads to the small natural harbor of Sissi, where the public sand and pebble beach is located. The spacious and stylish rooms, completely renovated in 2017, have all the modern comforts. Most rooms offer a magnificent view of the Cretan Sea from their own balcony or terrace. Breakfast and dinner are served in a central restaurant with a stylish dining room and an open-air courtyard with traditional Cretan, Greek and international dishes. The hotel's bars offer a large selection of branded cocktails and a variety of alcoholic and soft drinks. Fans of outdoor activities can engage in aqua aerobics or gymnastics, play volleyball or table tennis, and in the central bar of the hotel you can watch sports broadcasts on the big screen TV, play billiards, darts and table tennis. Special themed events are held regularly during several evenings of the week and entertainment events with live music and dancing by the pool. For children, the Castello Village provides a children's pool, where various games are held, a children's area with a game and volleyball court. Guests of the Castello Village Resort can visit the modern spa, located in the neighboring partner hotel Castello Boutique Resort and Spa, which offers a wide range of spa treatments, including chromotherapy, aromatherapy, sauna, massage treatments and water treatments at the Callista Spa's therapeutic pool.
