

Amanzoe ★★★★★

Comprising a 38-suite resort, an Aman Spa and a number of exclusive Aman Villas, Amanzoe is situated on a hilltop in Greece on the east coast of the Peloponnese, overlooking the island of Spetses. Drawing its name from the Sanskrit-derived word for 'peace' and zoe, the Greek word for 'life', Amanzoe offers 360° panoramic views as well as a private Beach Club in a picturesque bay. The design of Amanzoe is strongly influenced by classical Greek architecture, yet is contemporary in attitude and construction techniques. Taking into account the property's hilltop setting and open views, the design is particularly inspired by traditional Greek acropolises – citadels built atop elevated ground in ancient times.
