

Govino Bay Corfu ★★★

Govino bay is located 8 kms north of Corfu city, the Capital of the island, in the direction of Palaiokastritsa and 10 kms from the international airport. This is the most heavily developed part of the island, but the contours of the sea-Front isolate Govino Bay from noise and crowds. Govino Bay is also a great place for exploration. The location adds value as it is next to the village of Gouvia with various means of entertainment as taverns, restaurants, bars and clubs, all at a walking distance.
