

Lindos Village ★★★★★

Designed exclusively for adult guests, Lindos Village is a unique 5 star hotel located on a beautiful green slope near the sea. The hotel is located near the picturesque village of Lindos in the southwest of the island of Rhodes. In the period from 2014 to 2017, a complete reconstruction was made at the ball resort. Lindos Village Resort & Spa cascades along beautiful gardens down to Vlycha Bay, in a series of intimate terraces, shaded by beautiful cypress trees, eucalyptus trees and lemon trees and panoramic vistas on the Mediterranean Sea. Spacious and tastefully decorated guest rooms provide exceptional comfort and tranquility. Bars and restaurants provide excellent service and fine cuisine. The hotel's spa offers many treatments for relaxation and wellness. Many sports options will certainly appeal to outdoor enthusiasts. Vlycha Bay is a charming cove with shallow, crystal clear waters that deepen smoothly and gradually. The beach itself is a mixture of sand and small pebbles, and it is fully organized, with sunbeds and umbrellas as well as several water sports facilities and snack bars. A private section is allocated for the Lindos Village Resort and its guests, where you will find a sunbed reserved for you under the shimmering sun to enjoy the best moments of the Greek summer.
