

Out of the Blue Resort ★★★★★

The unique, luxurious five-star resort, Out of the Blue, Capsis Elite Resort, is located right at the edge of the sea on a 167.000 m2 private peninsula, 20 minutes drive from the city of Heraklion. The hotel complex is ideal for those who are looking for the best traditions of Greek hospitality, and offers its guests a choice of three collections of hotels in different price categories: a large selection of Classic rooms, Lifestyle and Exclusive collections, from family bungalows to suites to private villas with a swimming pool close to the traditional fishing village Agia Pelagia. Luxurious furnishings, interior design, antiques, decorating hotel rooms, everything is thought out to the smallest detail. The territory of the resort is a picturesque botanical garden with lush vegetation, as well as private greenhouses and gardens, which grow organic fruits, herbs, vegetables and flowers for restaurants and bars of the resort.

At the 2017 Seven Stars Luxury Hospitality and Lifestyle Awards awards ceremony, the Out of the Blue Resort, Capsis Elite Resort, was awarded the title of **"Best Hotel and Resort in Greece"**, confirming its excellent position in the hospitality industry.

The gem of the resort is its unique wellness center, **Euphoria Rejuvenating SPA and Fit 4 Life Fitness Center**, offering comprehensive treatments and programs that go beyond ordinary beauty and focus on healing, stress relief, recuperation and well-being.

In 2018, Capsis Elite Resort, in the **Health & Wellness Tourism category**, was awarded for the **DETOX 5+™** program. This award is a huge recognition of the quality and innovation of DETOX 5+™, the advanced services and treatment methods offered by the Out of the Blue Everphaling Euphoria concept. A Medical Wellness Center provides non-invasive anti-ageing and slimming treatments under the supervision of a plastic surgeon. Treatments and programs are planned around guests' holidays, so that they won't disrupt their activities and leisure time. Treatments include anti-ageing, slimming & firming treatments, Valmont collagen treatments, cryolipolysis, face lifting exfoliation, molecular hydrogen treatments, needle/no-needle mesotherapy, botox, fillers and PDO threads.

The family resort pays special attention to its small guests, offering unlimited fun and a lot of entertainment. The proposed activities are designed for young guests of different ages - from babies to teenagers.

The hotel's one-of-a-kind **Minoan amusement park** with an area of 4000 m2 is a small copy of the Minoan palace in Knossos, created according to the myths of ancient Greece, where children have the most direct opportunity to learn about the history of Crete, playing in the maze, and also participating in various events held there, in dance and theatrical evenings.

In addition, Out of the Blue, Capsis Elite Resort, is the only resort with the **interactive game Escape Room**. On the territory of the resort there are 3 Escape Rooms intended for interactive team games in groups, where participants look for clues, solve puzzles, solve problems in one or several rooms in order to achieve a certain goal.

Out of the Blue, Capsis Elite Resort is one of the leading beach resorts in Greece that offers luxury accommodation, fun family entertainment, wellness services and extensive facilities for wedding receptions and corporate events.
