

# Andronis Luxury Suites ★★★★★

The extravagant five-star Andronis Luxury Suites hotel is ideal for a romantic getaway. The hotel was built in the traditional Cycladic style on a cliff, in the picturesque village of Oia, overlooking the Aegean Sea and the volcano. The luxurious suites and villas with a stylish and elegant design feature a heated hot tub, private infinity pools on terraces with sun loungers and cave-style bathrooms. The gourmet restaurant "Lycabettus" offers delicious Mediterranean cuisine. Private wine tastings are held every evening as well. The "Athena Bar" by the infinity pool offers elegant cocktails and healthy fresh juices all day. The Mare Sanus Spa offers a variety of treatments using natural products. A team of experienced therapists is always ready to help guests choose the treatment methods and procedures that suit their individual needs. In the exclusive boutiques of the hotel, guests can choose the perfect outfit, from collections of Greek and foreign designers.

*Due to the location of the hotel on the rock and the lack of children's facilities, the hotel does not accept children under the age of 13 years.*
