

Alta Mare By Andronis - NR ★★★★★

The 4-star Alta Mare by Andronis, with its understated luxury, traditional architecture and breathtaking views of the crescent-shaped island of Santorini, offers its guests the perfect place to relax, to read, dream and spend time with those they love. Alta Mare suites are located in one of the most picturesque cities of Santorini - the city of Oia. Completely renovated in 2015 in accordance with the architecture of the island and the needs of the modern traveler, the hotel offers luxurious rooms, a cozy atmosphere, personalized service and world-class amenities. The stylish and comfortable suites are complemented by private terraces with a heated outdoor hot tub. In the boutiques of the hotel guests can find any item of clothing. At the Andronis Private Spa Suite, which is located just a few steps from the luxurious suites of the Alta Mare Andronis (part of the Andronis Exclusive Group), guests can use the services of qualified therapists and order beauty and wellness treatments that will help them feel beautiful and rejuvenated. Magnificent sunsets, a view of the caldera and the endless blue Aegean Sea makes this place unforgettable.

Due to the particular construction of the hotel on the cliff and the absence of children facilities, the property does not accept children under the age of 13 years old.
