

Elysium Hotel (Cyprus) ★★★★★

The Elysium enjoys uninterrupted views of the Mediterranean Sea and has been sensitively designed in a palatial style primarily influenced by the Byzantine era. The cultural references of its architecture evoke the rich history of Cyprus and combine elements from Greek, Roman, Medieval and Venetian times. The Elysium is situated right on the beach, in the historical heartland of the ancient city of Paphos, next to the archaeological site of the Tombs of the Kings. The hotel is only 10 minutes away from the picturesque harbour of Paphos, 25 minutes from Paphos centre, and 90 minutes from Larnaca international airport.
