

Kove Mykonos Boutique Myconian Collection ★★★★★

Newly built and opened in 2016 Keshō Boutique Hotel & Suites is located on the cosmopolitan island of Mykonos. This island is known worldwide for its elegant style, wonderful landscapes and amazing beaches. On one hand, it's cobbled streets, picturesque neighborhoods, widely photographed windmills, and enchanting sunsets. On the other, it's cosmopolitan air and the arrivals of the international jet set, which ranks Mykonos amongst the "must-visit" summer destinations.

A luxury Boutique hotel lies in the beautiful and sheltered bay of Ornos, with its clear turquoise waters and fine white sand, just 2 km away from the town of Mykonos. The guests of this luxury 5 star hotel can indulge in a gastronomic experience at Keshō Fine Dining Restaurant, perched the roof garden overlooking Ornos Bay. Moreover, you can spend your evening under the stars while listening to music and tasting signature cocktails at the Bar. Also there is an excellent Spa, where you can relax and rejuvenate, enjoying the Jacuzzi, Hammam, massage treatments, spa rituals, and a fitness area with the latest gym equipment.
