The attractive four-star Elpida Village hotel is built on an amphitheatrical hillside, near the village of Kalo Chorio, and 10 km from the picturesque town of Agios Nikolaos. Just 800 meters from the hotel, there is the Agios Panteleimonas bay and the famous Golden Vulisma beach with its turquoise waters and white sand. Every day and several times a day, a free shuttle bus runs from the hotel to the beaches. Spread among wild vegetation and landscaped gardens overlooking Mirabello bay and olive groves, Elpida Village is built in the form of a traditional Cretan village with stone-paved paths and a central village square with a seating area under the shade of a giant tree. The hotel has a swimming pool, a sun terrace with comfortable sun beds and umbrellas, a lounge area with a large TV with satellite channels, a fitness room, table tennis and a room with billiards and other games. Elpida Village Hotel offers rooms of various types, with a balcony or veranda, most of which with a fantastic view of the Merambello bay. All rooms are decorated in Cretan rustic style, and at the same time have all the modern comforts needed. The hotel's restaurants, with spacious verandas and stunning views of the surrounding nature and the sea, delight their guests with a large variety of authentic Cretan dishes based on Cretan products and recipes (including herbs and spices organically grown in the hotel), as well as international dishes. In the Greek tavern with a wood-burning stove and a charcoal barbecue, guests can enjoy authentic Greek recipes and this is where cooking lessons and fun parties with traditional Greek music and dancing take place.
