

Greotel Olympia Riviera Aqua park - NR ★★★★★

The Greotel Olympia Riviera Thalasso is the chic, luxury hotel in the Greotel Olympia Riviera resort in Kyllini on the west coast of the Peloponnese. Its' aristocratic architecture and classic decor in elegant cream-white tones reflect the images of nearby Ancient Olympia, the birthplace of the Olympic Games. Occupying a prime stretch of Greece's longest sandy beach with shallow waters it is ideal for families. In addition, there are two pools near the beach with exotic landscape, an imaginative paddling pool and a quiet pool that cascades into a waterfall. The Thalassotherapy center, visible from the hotel, is lit up in the evening to create a unique Ancient atmosphere. Family activities, a la carte dining and a host of sports and entertainment facilities are found in the Greotel Olympia Riviera Resort. The hotel offers "Premium Plus" package, which is ideal for guests seeking the high quality Greotel service combined with drinks & food (from morning to night at selected venues) as well as sports and amenities.
