

Cap St Georges Hotel & Resort ★★★★★

Cap St Georges Hotel & Resort is a brand new luxury hotel on Cyprus, which embodied in its architecture a modern style with traditional Cyprus stone and centuries-old olive trees. The five-star resort is located right on the beach in one of the most picturesque places on the island of Aphrodite - close to the Akamas National Park.

Cap St Georges Hotel is located in a quiet bay and provides three outdoor pools (including an Olympic size pool), a 130-meter beach, a spa and an outdoor area for the guests. The highlight of the hotel is the Agora Village, where numerous restaurants, boutiques, and an open-air cinema are located. Moreover, the hotel has its own Perivoli garden with local Mediterranean produce, evergreen vegetable crops, fragrant herbs and colorful citrus, which are served in the resort's restaurants. Depending on the season, guests can try their hand at picking olives or grapes. For active sports enthusiasts, Cap St Georges Hotel offers electric bicycles, horseback riding (own horseback riding club George's Horse Ranch!) and a skating ramp in addition to standard sports activities (football, basketball, volleyball).

New for 2023 - beach transformation! The hotel can now boast a completely sandy beach with tender golden sand, sun loungers, spacious gazebo and cozy cushion-poufs.
