

# Villa George Hotel ★★★★★

Villa Gheorge is a small cozy hotel, located right by the beach, near the village of Kriopigi. It consists of a three-story building. All apartments are bright and spacious, equipped with their own kitchen. From the balconies of the rooms you have a magnificent view of the pine forests or the sea. In the courtyard of the hotel there is a playground and a swimming pool, as well as a tavern -restaurant. Recommended for a relaxing family holiday. Every year a small renovation of rooms and public areas is taking place.
