

Molfetta Beach Hotel ★★★

The coastal small 3 star Hotel Molfetta Beach is located in the seaside resort of Gouvia, near the city of Corfu. This hotel is a complex of two-storey buildings with a compact well-groomed area with a garden and a restaurant. Spacious rooms are distinguished by elegance and sophistication, decorated with decorative pillows, carpets with floral patterns and artwork on the walls, and at the same time equipped with all modern amenities to ensure a comfortable and carefree vacation. Most rooms have at least a side view of the sea. The restaurant, spilling onto a terrace that looks towards the sea, serves local and Mediterranean cuisine. The trump card of the hotel is night life. A variety of evening animation makes it attractive in the evening, not only for hotel guests, but also for local residents. The hotel is recommended for youth, romantic and active recreation.
