

# Phaea Cretan Malia Park ★★★★★

The award-winning, elegant five-star resort Cretan Malia Park is located on a beautiful private sandy beach with sparkling blue waters. The complex consists of a main building and bungalows, surrounded by lush Mediterranean gardens. One of the advantages of the hotel is its convenient location, within walking distance of the entertainment center of the resort town of Malia and 7 minutes drive to the city of Hersonissos. All rooms and bungalows in Cretan Malia Park were completely renovated in 2018-2019, equipped with all modern comforts and feature a beautiful design and a variety of types and styles that meet the individual tastes and needs of hotel guests. The system "all inclusive" offers its guests a carefully thought-out system of food, spiritual and active recreation. The hotel's restaurants offer guests a variety of Mediterranean, Greek and authentic Cretan cuisine, made only from fresh, local produce, vegetables, fruits and olive oil. There is also a bio-garden and a herbal garden. Here guests can get acquainted with the local culture by participating in daytime events dedicated to the Cretan customs, visiting cooking classes or wine tasting. In the evenings, various programs with Greek dance lessons, evening shows, entertainment and games are organized. Children can spend time on the playground, in the children's pool and in the kids club, where various educational and recreational activities are held. Fans of outdoor activities are given the opportunity to play tennis, beach volleyball, aqua aerobics, table tennis, water sports, visit a fitness center or a golf club. In the treatment rooms of the new Aegeo Spa, hotel guests can order various health treatments for the face and body, both indoors and outdoors, performed by professional therapists and using only natural ingredients such as pure olive oil, sea salt, aloe vera, Cretan aromatic herbs, seaweed and more.
