

Agapi Beach ★★★★★

The original four-star family hotel Agapi Beach Resort is located in the resort of Amoudara, 6 km from the center of Heraklion, a lively seaside city with its cultural and historical monuments, many restaurants and much more. Agapi Beach Resort, one of the best hotels in Crete, has its large private beach, where sun beds, umbrellas and towels are provided free of charge, and the beach bar and a seaside taverna help to quench your hunger and thirst during sunbathing or after water and beach sports. Agapi Beach consists of two buildings that combine modern design and traditional Cretan architecture. The elegant and stylish rooms and bungalows have furnished balconies or verandas with scenic views of the gardens, the hotel's swimming pool or the sparkling sea, marble bathrooms, comfort bedding and toiletries, flat-screen TVs and free high-speed Wi-Fi internet. The hotel's restaurants, serving all-inclusive guests, adhere to the concept of healthy living, offering a healing Cretan diet rich in fruits, vegetables, grains and olive oil. In addition to direct access to the private well-kept beach, the resort has three open-air fresh-water pools (one of which is heated in April, May and October) various sports facilities, a fitness center, various sports and entertainment and cultural events are held daily. The Aegeo Spa offers a full menu of relaxing facial and invigorating body treatments performed by experienced therapists. For children, the hotel has a playground, a children's pool, a kids 'club, where various educational and entertainment programs are held, a disco, and various options for baby food in the hotel's restaurants. The resort has a mini-market and a boutique, which gives guests the opportunity to purchase everything they need during their holidays, as well as special souvenirs for themselves or for loved ones. Agapi Beach Resort has an universal conference room for business meetings, conferences, cultural events or significant events. All rooms are equipped with high-speed Internet access.
